The PEOPLE FOR ENTERPRISE, TRADE, AND ECONOMIC GROWTH (PETE PAC) is filing this amendment to our October Monthly Report for 2004 in response to a letter we recieved with a response due date of January 5, 2005. We are amending the report because a contribution that was made to Friends of Dave Reichert was entered incorrectly as primary election instead of general election. Also, we disclose no payments for administrative expenses because we run on a volunteer basis, thus administrative expenses often do not exceed the reporting threshold.

Sincerely,

Martin McGuinness
